TO WHOMSOEVER IT MAY CONCERN

This is to certify that Mr Snehashis Chatterjee has worked as an intern from 15th December 2020 to 24th March 2021 in our organization.

During this period, he has worked on deep learning models and computer vision projects. His work involved understanding the problem statement and how the deep learning models can be used for the given problem statement. He also managed the entire data pipeline for the deep learning models, including deployment of the trained models. His work help the team to cut down manual work in a few areas and optimize time. His inquisitiveness, teamwork skills are appreciable, and helped him in learning new concepts and solve problems better.

We wish the very best for his career and future endeavors,
